Dear Mr Laurie

Thank you for your letter of 7 March 2018 about petition number 2855-18: No Greensill Road Connection Road.

The Moreton Bay Regional Council (the council) has included a proposed council road connection, known as the Greensill Road Connection Road, in the proposed amendment to the Moreton Bay Regional Council Planning Scheme. I am aware the amendment seeks to amend the road hierarchy status of the proposed local road connection.

The Department of State Development, Manufacturing, Infrastructure and Planning (the department) is currently assessing the council's amendment package, however, the department's assessment and my consideration is limited to matters of state interest. The planning and operation of local roads fall under the jurisdiction of the local government. As such, I would encourage the petitioners to raise their concerns direct with the council's Planning and Economic Development Division on 3205 0555 or by email at mbrc@moretonbay.qld.gov.au.

I would like to thank the petitioners for raising this matter with me and I trust this information is of assistance.

Yours sincerely
