Everton Sporting Clubs get playing

Member for Everton, Tim Mander has welcomed another funding boost for two local sporting clubs in the latest round of Get Playing Places and Spaces grants.

Mr Mander said “Mitchelton Sports Club and Everton Park Bowls Club have been awarded grants for \$150,000 each through the program.”

Mitchelton Sports Club will use their grant to install irrigation to three fields and Everton Park Bowls Club are going to upgrade to a synthetic surface so lawn bowls can be played at the Club.

“It is great to see that local clubs are taking advantage of these grants and are being successful in their applications,” Mr Mander said.

“I encourage all local groups, however big or small, to apply for the next round of funding and make the most of this wonderful opportunity,” he said.

Further information regarding the *Get in the Game* initiative can be found at www.nprsr.qld.gov.au/getinthegame
